

STM GROUP PLC

STRENGTH IN NUMBERS ...

STM Group Plc ('STM') is a multi-jurisdictional financial services group listed on the AIM, a market operated by the London Stock Exchange. STM specialises in the administration of client assets in relation to retirement, estate and succession planning and wealth structuring.

Today, the Group has operations in the UK, Gibraltar, Malta, Jersey and Spain. STM has developed a range of pension products for UK nationals and internationally domiciled clients and has two Gibraltar life assurance companies which provide life insurance bonds – wrappers in which a variety of investments, including investment funds, can be held.

STM's growth strategy is focussed on both organic initiatives and strategic acquisitions.
